

RESOLUTION 10-2010

Adoption of Oil and Natural Gas/Regulations

WHEREAS, The Council of the City of Monongahela and the residents know that land use is a valuable natural resource, and

WHEREAS, the way the land is used or developed creates a significant and permanent part of our daily lives in the future.

NOW, THEREFORE, all valuable resources must be used reasonably, economically and equitable to benefit both the property owners interest as well as the general public.

AND, Be It Further Resolved, that any drilling in the City of Monongahela addresses environmental and property owners concerns protecting ground water and drinking water, air and the quality of life, secondary pollutants in the river, industrial noise and fuel emission from gas extraction.

ADOPTED AND RESOLVED By the Council of the City of Monongahela this 8th day of September 2010.
